## ABOUT AIRMEDCARE NETWORK

Guardian Flight, AMCN's Alaska provider, is the state's largest air medical provider with more aircraft in more places than all of the other organizations in the state combined. Our history and experience has allowed our staff to gain a unique understanding of healthcare within Alaska. Our crew members translate that experience into successful patient outcomes and community service as we live and work in this great state.

An AMCN membership offers significant money-saving benefits. In the event you are flown by one of our providers for a life or limb-threatening emergency, we will work with your benefits provider to secure payment for your flight. As a member, you will have no out-of-pocket flight expenses if you are flown by Guardian Flight or any AMCN participating provider.
